Dental Option Plan (DOP)

Horizon Dental wants you to get the most from your dental benefits.

You can save money when you receive care from a dentist who participates in the Horizon BCBSNJ networks. When you use in-network dentists, you generally only pay your copayment and any applicable in-network coinsurance or deductible. If you use an out-of-network dentist, your out-of-network benefits apply and your out-of-pocket costs will likely be higher. If you do not have out-of-network benefits, you are responsible for the entire cost of treatment.
