You can locate a provider through **our provider search tool**, which is updated six days a week. Please keep in mind that the availability of any particular provider cannot be guaranteed.

Steps to locating a doctor

1. [Click here](#) to access the search tool.
2. Enter your ZIP code or city/state and click search. This will allow you to search the entire directory or search for a specific doctor.

The screenshot shows the Aetna provider search tool interface. It is divided into two main sections: 'Already a member?' and 'Continue as a guest'.

Already a member?

- Section: 'Searching as a member is better' with text: 'You Can:'.
- Checklist items:
 - ✓ Get results for your plan

Continue as a guest

3. Select plan choice — "Aetna Choice POS II (Open Access)" OR "Aetna Select (Open Access)" under the "Aetna Open Access Plans" section and click continue to search for doctor.

Why is choosing a plan so important?

- Pay less if you use a provider that accepts the plan
- Find the highest level of coverage from a provider under the plan
- Confirm doctors are accepting the plan
