

# Access Your Account Anytime

When you register and sign in at [HorizonBlue.com](https://HorizonBlue.com), you'll have easy and secure anytime access to personalized information about your health plan. Once signed in, you can choose from:

## Claims

Check your claim status, see what has been paid and if you owe anything out of pocket for care you or a covered dependent has received.

## Wellness

We can help you feel your best every day with our wellness programs. You can also access *My Health Manager*, powered by WebMD®, for your personal health record.

## Benefits & Coverage

See plan details, view authorizations and referrals, and let us know if you have additional insurance. Use our Treatment Cost Estimator to find out how much a procedure is likely to cost you out of pocket.

## ID Cards

View, print and request additional member ID cards online. You can even show your doctor the online version of your member ID card if you don't have a printed member ID card with you when you get care.

## My Accounts

Track your out-of-pocket costs for health care services. If you have a Horizon MyWay® Flexible Spending Account, Health Spending Account or Health Reimbursement Account, you can access it here.

## Doctors & Care

Get the care you need when you need it. Here you can find an in-network doctor, hospital or other health care professional. You'll save on out-of-pocket costs when you receive in-network care.
